Subject: Relinquishment of Federal Coal Exploration License Bond: UTU-85867,
Canyon Fuel Company, LLC Ark Land Company

On November 12, 2008, Ark Land Company/Canyon Fuel Company, LLC filed a relinquishment of the bond on Federal coal exploration license UTU-85867. Ark Land Company stated that they have completed exploration activities on this exploration license.

The helicopter assisted drilling rigs used by Canyon Fuel leaves little to no disturbance. Canyon Fuel has met all terms and conditions for reclamation. Therefore, the Bureau of Land Management Price Field Office recommends that the bond for Exploration License UTU-85867 be released.
